Christmas Card Competition

We are excited to launch our second Integrate My School Christmas Card Competition. Entries are invited from children and young people to submit their design for our 2021 Integrate My School Christmas Card.

The competition will be judged in two age groups 'Primary and Post Primary' with a winner chosen from each. Entry forms can be downloaded from www.integratemyschool.com.

The winners will receive 20 copies of their card along with a £50 Omniplex Cinema Voucher. Two Runners-up from each category will receive an art set.

The Deadline for submissions is 4pm on 24 November 2021.

We have been in contact with shopping centres across Northern Ireland and have secured spaces for the children's competition entries to be displayed. We will contact you with the closest centre that is participating so that you can communicate this to your parents at the beginning of December.

For more information or to get a copy of the template emailed please contact Alice Guy on 028 9069 4099 or email alice@ief.org.uk

We ask that you do not stick materials, such as glitter, to your entries. These entries will not be considered. Please note that we cannot return entries.
